• **GRADING:** For raw coins (not currently encapsulated). You may (but are not required to) specify a minimum acceptable grade. Coins graded below the minimum acceptable grade will not be holdered; however, the full grading fee will be charged.

• **REGRADE:** For a coin previously graded by PCGS you feel might be worthy of a higher grade, submit coin in the holder. The coin will be removed from the PCGS holder and reggraded. Grading fees will apply whether the coin upgrades or not. Coins that do upgrade will also be charged the Guarantee Premium* based on the value of the coin. If the coin grades lower, the terms of the PCGS Grading will apply. For full disclosure on the PCGS Guarantee, visit www.PCGS.com/Guarantee.

• **CROSSOVER:** For a coin previously graded (currently encapsulated) by another grading service. PCGS will hold the coin only if it meets or exceeds your specific request noted in the "Minimum Grade" column on the front of the form. Grading fees will apply whether the coin crosses or not. Coins that do cross will also be charged the Guarantee Premium* based on the value of the coin. Please specify one of the options below in the "Minimum Grade" column on the front of the form. If you leave this area blank, PCGS will assume the minimum grade is the grade currently on the holder.

• **Minimum Grade Options:**

- **CURRENT** - Requests coin to cross at grade listed on holder.
- **ANY** - Requests coin to cross at any numerical grade (01-70).
- **DETAILS** - Requests coin to cross at any numerical grade or Genuine no-grade.
- **OTHER GRADE** - If you would like to specify a different grade than listed on the holder, write your acceptable numerical grade (include suffix if applicable).

Note the following limitations apply:

- » You cannot specify a minimum details grade for existing genuine-held coins.
- » First Strike, First Day of Issue, or equivalent will not be recognized.
- » Minimum grades are not accepted for regrade or reconsideration service types.
- **REHOLDER:** Re-encapsulation of PCGS-graded coin. Coin will not be reggraded.
- **RECONSIDERATION:** Use the Reconsideration service if you would like to have your coin reggraded without being removed from its current PCGS holder. The coin will only be removed if it upgrades. Select one of the options below.

1. Upgrade by full numeric grade (*Default*). If your coin's grade is determined to improve by one numeric point or more (i.e. 63 to 64 or 63+ to 64).
2. Upgrade by Plus grade **ONLY**. If your coin's grade is determined to improve by a Plus grade (i.e. 58 to 58+).
3. Upgrade by Suffix. If your coin's designation is determined to improve by suffix even if the coin's grade does not improve (i.e. PL to DMPL, CA to DC, BN to RB).

PCGS GRADING TERMS & CONDITIONS

By signing the front of this form, customer acknowledges that they have read the PCGS Grading Terms and Conditions (the "Agreement") set forth below and agrees to abide by this Agreement, and further agrees that PCGS is entitled to rely upon and benefit from this Agreement.

1. PCGS will endeavour to grade coins within the time frame, if any, offered as part of a PCGS grading service. However, PCGS will have no liability whatsoever to the Customer for incidental or consequential damages due to PCGS' failure to grade any coin within any time frame. All days are business days.

2. PCGS will not grade coins which bear evidence of harsh cleaning, artificial toning, damaged surfaces, excessive major marks, minor planchet flaws, altered surfaces, PVD damage, Doctoring or similar impairments. If PCGS rejects any coin for grading in accordance with PCGS's grading standards and procedures, PCGS shall not refund the fee paid by Customer.

Customer represents and warrants that it has no knowledge and no reasonable basis to believe that any coin submitted for grading has been altered or Doctored in any way. For purposes of this Agreement, "Doctored" shall have the meaning set forth in the applicable PCGS Authorized Dealer Agreement or PCGS Collectors Club Agreement by and between Customer and PCGS (the "Customer Agreement"). If Customer has not entered into the Customer Agreement, Customer hereby agrees to be bound by the terms of the Customer Agreement, a copy of which can be found at <https://www.pcgsg.com/resources/pdf/collectors-club-agreement.pdf>, and Customer's signature on this Agreement shall constitute Customer's signature on the Customer Agreement. Customer reaffirms its obligations with respect to Doctored coins set forth in the Customer Agreement.

Customer warrants that all information provided hereunder is accurate and reliable and undertakes to promptly correct and update such information if Customer discovers any such information is inaccurate.

3. Grading involves individual judgments that are subjective and require the exercise of professional opinion, which can change from time to time. Therefore, PCGS makes no warranty or representation and shall have no liability whatsoever to Customer for the grade assigned by PCGS to any coin, except pursuant to PCGS's Guarantee resubmission as set forth on PCGS's website at pcgsg.com/Guarantee, which by signing this agreement the Customer acknowledges s/he has read and accepts the terms and conditions of the PCGS Guarantee.

4. PCGS will exercise reasonable care in handling coins submitted for grading, reggrading or reholdding. However, if PCGS determines that the Customer's coin was lost or damaged while in PCGS possession, Customer will be compensated based upon the fair market value of the coin as determined by PCGS standard procedures which may include filing a claim with our insurance carrier. The declared value you stated on the front of this form is for estimating the insurance coverage only, and the fair market value of the coin may be less than your declared value. IN NO EVENT SHALL THE TOTAL LIABILITY EXCEED THE DECLARED VALUE OF THE COIN. PCGS accepts no liability for coins soldered and/or glued components as these types of items can be damaged even when handled properly. PCGS will not accept liability for items lost while not in the custody or control of PCGS.

5. Customer must inspect all coins immediately upon receipt and PCGS disclaims any liability for damage or discrepancies (such as errors pertaining to the description of the coin, unless reported to PCGS within five (5) business days of Customer's receipt of the coin(s)). Customer agrees to return any incorrectly described coin to PCGS upon request for correction and agrees to indemnify and hold PCGS harmless from any and all losses and/or claims caused by the circulation or sale of any incorrectly described coin. Failure to report such errors may cause suspension or expulsion of membership from the Collectors Club or PCGS Authorized Dealer Network. PCGS shall not be liable for any direct loss or damage suffered by the Customer

4. Any: Will accept options 1, 2, or 3.

Coins that upgrade will be removed from the current holder, given the new grade and/or suffix, and placed in a new holder.

FEES: Grading fees will apply whether the coin upgrades or not. Coins that upgrade will also be charged the Guarantee Premium*.

• **GUARANTEE PREMIUM:** Equal to 1% of the value of the coin in its final grade. The value of the coin is determined by the PCGS Price Guide value for that grade or the Declared Value of the coin, if the Price Guide value is not available. The minimum amount for the Guarantee Premium is 5 USD. PCGS reserves the right to make the final determination of the coin's value.

• **GUARANTEE RESUBMISSION:** If you have a PCGS-graded coin that you feel is overgraded, misattributed, or counterfeit, submit the coin to PCGS through the Guarantee Resubmission Service. Select the "Other" check box and write in "Guarantee Resubmission Service." A fee of 25 USD per coin must accompany all submissions through this service. If your coin is downgraded, the terms of the PCGS Guarantee will apply and all fees and charges related to the Guarantee Resubmission will be refunded.
